

PUBLICATIONS LIST - 2009/2010

PARISH AND PEOPLE was founded in 1949 and was instrumental in effecting a quiet revolution in popularising the parish communion. In 1963 it merged with the Keble Conference Group to spearhead movements towards team ministry, synodical government and church unity. In 1970 it was largely responsible for the formation of the ecumenical 'ONE for Christian Renewal'.

PARISH AND PEOPLE has, however, continued to promote new life in the Anglican Church, and publishes a range of stimulating material for parishes and deaneries in order to enable the growth from the grass roots up of a lively, open, people's church in which lay ministry can blossom. In 1988 it took *Partners* under its wing, thus widening its interests to include publications on evangelism.

THE DEANERY RESOURCE UNIT was launched in 1989, and now over 200 deaneries throughout the C of E subscribe to its bi-annual mailing, which includes the well-established *Deanery Exchange* broadsheet, together with copies of booklets and briefings on matters of deanery concern. Further details are given below. The Unit is working in cooperation with the Church House Deaneries Group and other bodies to bring a breath of fresh air to the 'missing link' in the C of E's structure and your ideas for future developments are most welcome. We are at present working closely with them to produce a series of booklets / briefing to help Deaneries and Rural Deans.

THESE PUBLICATIONS ARE AVAILABLE TO ALL. You do not have to be a Deanery Officer, nor do you have to live in England. We have subscribers from the Church in Wales, and the Episcopal Church of Scotland.

THE DRU MAILING (£12 a year single subscription; £20 double)

This mailing comes out twice a year, and for a single Deanery subscription includes

- 50 copies of the latest edition of *Deanery Exchange* (incorporating *Starters*), containing news and suggestions from the deaneries (a copy for each Synod member)
- 1 copy of our latest book/booklet on an appropriate subject
- 1 copy of a *Briefing* on a topical issue or report

Larger Deaneries should place a double subscription, including 100 copies of *Deanery Exchange* so that there are enough copies of *Deanery Exchange* to go round.
