

PUBLICATIONS LIST 2010

Parish and People established the **Deaneries Resource Unit** in 1989 and works closely with the **Church House Deaneries Group** to publish material which can be helpful to deaneries in their work through a twice yearly mailing to subscribers.

Each issue of the mailing contains:

- **'Deanery Exchange'** - a lively and concise newsletter on a single sheet of A4, with news, ideas and comment, including a **Starter** for discussion, for circulation to all members of Deanery Synods
- At least one new **Booklet** on a topical issue of relevance to the work of deaneries in ministry and mission – about 24pp
- At least one new **Briefing** – about 8pp – often focusing on practical issues

The Deanery Resource Unit mailing is available for an annual subscription as follows:

Economy £12: 2 copies of each new booklet and each new briefing, with 2 copies of Deanery Exchange. Deanery Exchange can then be printed or photocopied for circulation to Synod Members or a copy obtained as a pdf from our website www.parishandpeople.org.uk

Standard £14: As above but with 50 copies of Deanery Exchange

Double £20: As above but with 100 copies of Deanery Exchange

- New rural/area deans and Lay Chairs are invited to send for a **Starter Pack** at £7 post free. This pack contains samples of recent issues of Deanery Exchange, together with a generous selection of recent booklets and briefings – always including core publications such as The Role of the Rural Dean, Leading the Deanery, Chairing the Synod, and Guidelines for Deanery Officers
- Individual booklets and briefings are available to order as listed overleaf.
